

### Note from the Athletic Director

Coaching is more than what meets the eye. The Divine Child High School athletic programs have a long history of excellence and success, but the Athletic Program at Divine Child is so much more. Our coaches strive to build upon the core values instilled in the home; mainly self-discipline, dedication, teamwork, and camaraderie. Being the largest athletic program in the Archdiocese of Detroit and recognized as one of the largest private co-ed programs in the state, we take our responsibility of building our athletes both in skill and in character very seriously.

Divine Child High School offers 10 athletic summer youth programs, including a newly added Boys Lacrosse camp. This year, our outdoor camps will have the opportunity to use the new Divine Child Alumni Association Athletic Complex! We look forward to hosting your student-athlete this summer as we teach the skills of the game, the humble acceptance of hard work, and the benefits of team.

Bryan Rizzo, A.D.
