

SUMMER ENRICHMENT CAMPS 2017

CAMP DESCRIPTIONS

Art Camp

Mr. Grysko • gryskow@divinechildhighschool.org

Divine Child High School is excited to announce its Art Camp this summer! DCHS has the largest Art Department in the Archdiocese of Detroit, and we are inviting students entering the 7th, 8th or 9th grade in Fall 2017 to come and experience a two week art camp with DCHS and DCES faculty members. Campers will get the chance to experience a sampling of what the DCHS Art Department has to offer and come away with not only a more advanced skill set, but projects they can take home and enjoy!

August 1 - August 11 • 8:30 a.m. - 12 p.m.

Location: DCHS

Cost: \$200 per camper

Grades: 7 - 9 (Fall 2017)

Debate Camp

Mr. Danielson-Francois • serge@divinechildhighschool.org

The purpose of debate camp is to identify middle school students who may have the interest and talent to compete as part of their eventual high school debate team. Debate camp participants will have the opportunity to prepare and perform speeches in support and against resolutions from the 2016-17 DCHS Debate Society season. These include Public Forum, World Schools and Parliamentary. 2 required texts: *De Officiis* and *The Politics*.

Friday, June 26 - June 30 • 8:30 a.m. - 12 p.m.

Location: DCHS

Cost: \$75 per camper

Grades: 6 - 8 (Fall 2017)

Leadership Camp

This summer, Divine Child High School is offering a leadership camp for any and all incoming 9th graders who are interested in developing their leadership skills and becoming visible leaders and organizers in our school community. Themes to be explored and skills to be developed include organization, ethical leadership, communication, conflict resolution, self-awareness, program/project designs, and more. Throughout this one week program, the students, alongside Divine Child alumni and faculty, will be designing, organizing, and executing a service project of their choice. This will be a wonderful and engaging opportunity for our students to learn what being a leader in the Divine Child High School community is all about.

Why a leadership camp? Leadership skills, such as goal setting, problem solving, and decision-making are not just necessary for leaders, but for anyone hoping to succeed in today's world. Helping students develop leadership skills helps make them better able to solve community problems and enhances their school participation. Young leaders also demonstrate higher career aspirations, increased self-esteem, and improved high school completion rates.

August 7 - August 11 • 9:00 a.m. - 12 p.m.

Location: DCHS

Cost: \$100 per camper

Grade 9 (Fall 2017)

Musical Theatre Camp

Ms. Noeske • noeskee@divinechildhighschool.org

The Divine Child High School summer musicale theatre camp offers young performers the opportunity to explore the wonderful world of musical theatre. In this camp, participants of differing levels, talent, and ages will come together to participate in a variety of theatre games, vocal warm-up, solo, small- group, and large group singing and dance. Students who are more interested in straight acting without singing will not be bored! While everyone will participate in some singing, much time will also be spent working on scenes and monologues. Students will perform individually (should they desire) as well as in large groups and duos/small-groups. Throughout each session several “mini-master classes” will be held by local professionals in singing, theatre, and dance. At the end of the camp, students will perform in a show for family and friends! Performances June 29, 30 and July 1

June 19 - June 30 • 9:00 a.m. - 3 p.m.
Performances June 29, 30 and July 1
Location: DCHS
Cost: \$200 per camper
Grades: 4-12 (Fall 2017)

Rocketry Camp

Mr. Vance Nannini • nanniniv@divinechildhighschool.org

The intent of this program is to foster middle school student interest in designing and testing rockets, as well as their interest in astronomy and space, and science in general. This course is based around basic principles of Newtonian physics (forces such as thrust and gravity) which then leads to the design and testing of rockets – beginning with air-powered rockets and ending with the launch of model rockets as the final event. Students will do real engineering tasks as they apply what they have learned to the design and testing of their rockets, to include testing their rocket’s aerodynamics in a wind tunnel, and testing their rocket’s engine on a test stand. Students will also learn some basic astronomy tasks to include use of one of the DCHS astronomy club’s four telescopes. An optional nighttime observation event will also be scheduled for students to apply what they have learned about telescopes as they observe celestial objects.

June 26 - June 30 • 9:00 a.m. - 12 p.m.
Location: DCHS
Cost: \$100 per camper
Grades: 6 - 9 (Fall 2017)
